

To ease the burden of our customers who fall below the poverty threshold, we have updated the NEW Lifeline Subsidy Rate Guidelines, as provided below.

Under the NEW guidelines, the Lifeline Subsidy can be availed by 4Ps Program beneficiaries whose family income falls below the poverty threshold and whose monthly electricity consumption is below 10 kWh.

To provide eligible customers with ample time to prepare the necessary requirements, we have extended the deadline for applications for the Lifeline Subsidy Rate on May 2, 2023. Applications should be submitted at the Accredited Service Centers (ASCs) and the Cotabato Light Office.

Requirements

4Ps Program Beneficiaries

- ✓ Duly-accomplished Application Form;
- ✓ Most recent electricity bill for the electric service being applied for;
- ✓ Any valid government-issued ID containing the signature and address of the consumer.

For non-4Ps beneficiaries, but whose family income falls below the applicable poverty threshold

- ✓ A certification from the local MSSD - SWDO issued within six (6) months prior to the filling of the application, showing that his/her family is below the poverty threshold applicable at the time of his/her application;
- ✓ A duly accomplished Application Form;
- ✓ Most recent electricity bill for the electric service being applied for;
- ✓ Any valid government-issued ID containing the signature and address of the consumer

Requirements

For qualified marginalized end-users, except 4Ps beneficiaries, who are applying for the renewal of Lifeline Rate

- ✓ A certification from the local MSSD - SWDO issued within six (6) months prior to the application of renewal;
- ✓ Most recent electricity bill for the electric service being applied for;
- ✓ Any valid government-issued ID containing the signature and address of the consumer;
- ✓ Previous Certification of Lifeline Coverage issued by the Distribution Unit

All documents can be submitted physically to Alnor Commercial Complex or electronically via Cotabato Light Facebook Page.

All applications are subject for verification with the list of 4Ps beneficiaries from MSSD - SWDO and DOE.
