

COTABATO LIGHT SUPPORTS “LINIS BAYAN” PROJECT

Written by Donjie Vertuoso and Arlene Hepiga

Clean and Green! The Cotabato Light Employees were working hand in hand to achieve a clean environmental campaign

Cleanliness and Orderliness are some of the characteristics of a good and developing City, and Cotabato City is keeping pace to be one.

COTABATO LIGHT SUPPORTS “LINIS BAYAN” PROJECT

Written by Donjie Vertuoso and Arlene Hepiga

In support to the local government's efforts and in fulfillment of its corporate social responsibility, Cotabato Light joined the “Linis Bayan para sa Turismo.”

About 40 team members Cotabato Light headed by its AVP and Resident Manager Jude Sanchez joined forces with Barangay PC hill officers and constituents to clean the area along Sinsuat Avenue from CLPC to Tantawan Park on October 20 during the citywide clean-up activity.

“We at Cotabato Light and Aboitiz group are happy to take part of this noble and sustainable activity for our city and environment. Our team members are glad to be of help. This is our place – we should take care of it. Kung gusto natin umasenso ang ating lugar – kailangan magtulungan po tayo at respeto sa bawat isa. Good deeds bears good fruits.” Sustainability and Special Project Officer Donjie Vertuoso said.

This “Linis Bayan para sa Turismo,” was an initiative of the Cotabato City government through the City Tourism Office and participated by the city's different barangays, military and police forces, and business establishments in the city.
